

ENP ENGINEERING SCIENCE JOURNAL (ENPESJ)

COPYRIGHT TRANSFER FORM – OPEN ACCESS

Copyright transfer forms are required of all original materials and manuscripts published with the ENPESJ. This form provides information about the use of the manuscript, including on personal or departmental web-page. Please note that this form is an Open Access copyright transfer form for the ENPESJ.

Please complete all relevant sections of this form, including the title of your journal paper, your name and the names of all your co-authors (if any). Sign (but not electronically signed) and return this page to the ENPESJ, as a scanned, signed document within the specified deadline. Please read the form carefully before signing, and keep a copy for your files.

COPYRIGHT TRANSFER

Section A

1. The undersigned hereby warrants that the work of the above manuscript (collectively, the “Materials”) is original and that the author(s) details are correct.
2. The undersigned has obtained any necessary permissions to re-use the materials, incorporated text passages, figures, data or other material from the works of others.
3. The undersigned confirms that he/she has the authority to make and execute this assignment.
4. The undersigned indemnify and keep The Ecole Nationale Polytechnique indemnified against any loss, injury or damage (including any legal costs and disbursements paid by them to compromise or settle any claim) occasioned to them in consequence of any breach of these warranties.

Section B

1. The undersigned hereby assigns to The Ecole Nationale Polytechnique all rights under copyright that may exist in and to the above manuscript, including any revised or expanded derivative works submitted to the ENPESJ by the undersigned based on the manuscript.
2. The undersigned hereby assigns to The Ecole Nationale Polytechnique all rights of any associated written or multimedia components or other enhancements accompanying the work associated with the above manuscript.
3. The undersigned hereby confirms that he/she understands that the ENPESJ distributes its technical and research publications throughout the world. Furthermore, the above manuscript may be abstracted or translated to facilitate the appropriate re-use of its material and results by others (under permission or in accordance with the terms of the ENPESJ).

AUTHOR(S) RIGHTS/RESPONSIBILITIES

1. The ENPESJ confirms that the names and email addresses entered in the journal website will be used exclusively for the stated purposes of this journal and will not be made available for any other purpose or to any other party.
2. An author is expressly permitted to post any portion of the accepted version of his/her own ENPESJ-copyrighted articles on the author’s personal website or the servers of the author’s institution or company in connection with the author’s teaching, training, or work responsibilities, provided that the appropriate copyright, credit, and reuse notices appear prominently with the posted material.
3. Authors may reproduce or authorize others to reproduce the Work, material extracted verbatim from the Work, or derivative works for the author’s personal use or for company use, provided that the source and the ENPESJ copyright notice are indicated, the copies are not used in any way that implies ENPESJ endorsement of a product or service of any employer, and the copies themselves are not offered for sale.
4. The undersigned consent to this assignment of rights, also on behalf of the other authors (if several authors contribute to the above manuscript), and the signing of this Open Access Copyright Transfer Agreement is a necessary requirement for the publication of your manuscript.
